Forecast for Wednesday 27 Apr 2022

Weather: Mainly cloudy and dry but cold over the Perthshire hills in the morning with sunny periods and a very cold start in northern parts. Bright and sunny conditions spread across the whole area during the morning as temperatures slowly recover. Some cloud will bubble up in the afternoon, mainly in the west of the area. Dry with clear spells developing in the evening and turning chilly again.

Chance of cloud-free hill tops above 800m: 40% over southern hills in the early morning otherwise 95%, cloud over the southern hills will begin to lift and break in the morning.

Low Cloud and visibility: Mainly very good visibility. In the morning cloud bases will be broken above 600m over the Perthshire hills but scattered at 700m over the rest of the area. Cloud will lift and clear leaving mainly clear skies by the afternoon.
